## Manufacturer's Warranty

The Warranty provided by the Seller is to furnish replacement parts at no charge, Fob shipping point, for parts which Seller agrees to have been defective in material or workmanship.

The Buyer agrees to return a defective part, which the Seller has agreed to replace within 30 days of the receipt of the replacement part.

The time periods under warranty are:

- Three(3) year on Controls, Inverter Drive, and Motor
- Five(5) year on Frame and Cylinder
- Non Durable Parts are covered for a period of twelve(12) months  
Non Durable Parts are those items made of flexible materials and expected to wear or deteriorate with time and use. (Belts, Seals, Hoses)
- Special Washer Controls carry the warranty of the manufacturer of the controls and control parts (ex: Softrol)

The Warranty is contingent upon proper use of the machinery under normal operating conditions, proper installation, and maintenance.

Start up labor and services are provided on straight time, only if included in the sell price of the machine.
